The Road Ahead

Working with people that care, Meet our renovation teams!

Eckenhoff Saunders is a Chicago-based architecture, planning, and interior design firm. Our work is defined by innovative problemsolving, client-centered service, technical expertise, and practical experience. We collaborate with diverse organizations in the healthcare, educational, hospitality, non-profit, commercial,

financial, and industrial markets to develop meaningful design solutions that enhance the lives of those who

experience our buildings.
